Dear Dan,

You have done it again! Your outstanding voting record earned you our "Tax Fighter" Award in the 111th Congress.

With the changes that are coming, I hope you will help lead the fight to defund Washington and begin the process of "right-sizing" government.

I am enclosing a copy of the chapter on right sizing from the new book "Red State Uprising: How to Take Back America" which I co-authored with Erick Erickson. We think this is the new vision for limited government.

Regards
